Dear Parents and Guardians:

January 7, 2020

Each year we strive to provide the best academic and social experience for our students. It has been our privilege to have had your children at BridgePrep Academy South for this past school year. In order to better plan and budget for the upcoming 2020-2021 school year, we need to know your intentions for next school year. Please visit our website at <http://www.bridgeprepsouth.com> and locate the **red** button labeled **Current Student Intent Form** on the left hand side of the home page. Below is the image of the link on the website as well as the direct link to the form.

The Current Student Intent Form must be completed and submitted electronically by **Friday February 7, 2020** via webpage link.

If your intent is **not** received by the above date, it will be assumed your child(ren) will not be returning to BridgePrep Academy South and as such your child will lose their spot in our school and replaced with an incoming applicant.

If you have any questions or would like further information, please contact our school office at 305-271-3109 and request to speak to Mrs. Onesys Estrella, our school registrar.

Respectfully yours,

Yvette Rodriguez
Principal
